The Numismatic Society

Dear Sirs - I have a coin that
I am trying to sell. It is of copper
It is a Massachusetts and California Co.
5⁰⁰ piece. I am enclosing a tracing of
it. As the tracing shows it is in good
shape. Do you know of anyone interested
I have an offer for it now. The copper
coin is not listed in any catalog that
I have seen. The gold coin is listed in
Scott at \$1.000

Yours truly
Stephen L. Thomas.

Dear Sir:

Your letter in regard to the Massachusetts and California Company \$5.00 piece in copper at hand. The gold specimens are extremely rare; the copper specimens are not as rare and are not especially sought after. We are prepared to make you an offer of \$20.00 for this piece, subject to inspection.

Very truly yours,

HW: JG
